

PERA MEMBER: The right to enhanced retirement benefits under Minn. Stat. ch. 353F requires a complete and continuous separation for 30 days from privatized employment. If you begin your PERA benefit without a 30-day separation from employment enhanced benefits do not apply.

Please complete Part A below, and have an employer representative complete Part B.

EMPLOYER: Please complete Part B of this form to verify the privatized employment status of the PERA member. Give the completed form to the employee or send it to our office. **If there is a change in employment status for this employee after submission of this form, please notify PERA immediately.**
